By Priscilla Luna

Houston, TX – June 10, 2008 – Today's Business Solutions has been selected by Hispanic Business Magazine as one of the largest Hispanic-owned companies in the United States.

The June 2008 issue of Hispanic Business magazine spotlights the annual Hispanic Business 500. For almost three decades, the HB 500 has been regarded as a barometer of the U.S. Hispanic economy and has served as a benchmark of the surging development of U.S. Hispanic-owned companies.

"As one of the youngest companies chosen by Hispanic Business magazine, it is very rewarding to be listed as one of the largest Hispanic-owned companies in the Nation," said President of Today's Business Solutions Robert Jimenez. "I think being listed after just four years, illustrates our innovative approach in this industry has proven successful."

The 500 largest U.S. Hispanic-owned companies in the nation, as determined by Hispanic Business magazine, reported revenues of \$36.1 billion this year, a 0.6 decrease compared to the year before. Fifty-eight companies, or about 12 percent of this year's list, are new to the directory.

This is the first year that Today's Business Solutions has ranked in the HB 500 at number 441 with revenue of approximately 8.3 million.

Today's Business Solutions is a business to business distributor of office supplies, paper, technology products and office furniture to customers ranging in size from small organizations to multinational corporations. Today's Business Solutions is a minority-owned and Texas Historically Underutilized Business, established in 2003.
